

How to access *Languagenut* for Students

1. Go to www.languagenut.com and LOGIN

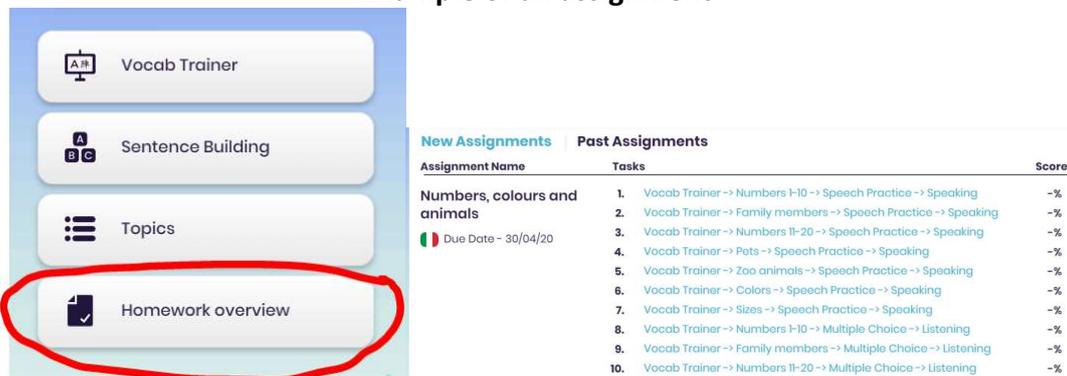

Enter your username and password (provided by Darwin Languages Centre).

2. Click on **HOMEWORK OVERVIEW** to see if your teacher has allocated you an assignment.
If your teacher has left you some homework, you can work on these activities.

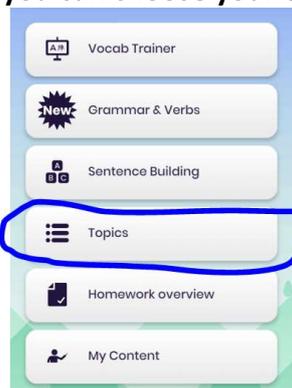

3. If you don't have any homework, click on **TOPICS**
You can choose words/patterns you would like to learn and study.
